VELISA PUTRI RAMADHANI

Web Developer & UI/UX Designer

Padang, West Sumatra, Indonesia | +62 859-7538-8302 | veliramadhani2320@gmail.com
LinkedIn: LinkedIn Profile | GitHub: GitHub Profile

PROFILE SUMMARY

Fifth-semester D3 Informatics Management student at Politeknik Negeri Padang with hands-on experience as a full-stack web developer (PHP, Laravel, MySQL, Flutter) and UI/UX designer. Delivered a real-client inventory and cashier system, contributed to a multi-role admission platform serving 15 vocational schools, and designed a high-fidelity mobile app prototype in Figma. Strong in database design, system architecture, and clear dashboard-driven interfaces, with team leadership experience from hackathon competitions.

EDUCATION

Politeknik Negeri Padang — Padang, West Sumatra 2024 – Present
Diploma III (D3) in Informatics Management, Semester 5

TECHNICAL SKILLS

- **Development Tools:** Visual Studio, Git, GitHub
- **Cloud Platform:** Huawei Cloud

Soft Skills

- Team leadership and teamwork
- Client communication
- Attention to detail
- Creative thinking and visual communication
- Self-motivated and able to work independently

PROJECT EXPERIENCE

Inventory & Cashier Management System — Santan Ardafa (Real-Client PBL) 2025
System Architect, Front-End Developer & Database Designer | PHP, MySQL, CSS, MVC

- Designed the system architecture, front-end interface, and MySQL schema end-to-end for a local grocery store in Padang, replacing its manual inventory and sales recording.
- Built modules for inventory and stock management, supplier management, POS cashier, operational costs, sales reports, and role-based access for owner and cashier.
- Contributed to back-end coding and translated the client's needs into working features through direct collaboration with the business.
- GitHup: GitHub Repository - Santan Ardafa

PPDB SMK Se-Kota Padang — Student Admission System 2025
Database Designer & Front-End Developer (group project) | PHP, MySQL, Bootstrap, MVC

- Multi-role admission platform (Super Admin, School Admin, Student) for 15 vocational high schools in Padang, with 4 selection pathways and 763 applicants.
- Designed the complete MySQL schema for admission data across multiple schools.
- Built the front-end of the Student Transfer module with responsive Bootstrap UI, enabling parents to submit and track transfer applications online.
- GitHub: GitHub Repository - PPDB SMK Padang

Veliluxé Beauty — Skincare Store Management System 2026
Laravel, MySQL, Bootstrap 5 | Course project

- Built a store management web app with role-based access (Admin and Cashier) and full CRUD for categories, brands, products, customers, and orders, backed by a 7-table MySQL database.
- Implemented multi-item order transactions that automatically adjust stock, plus a dashboard with sales statistics and low-stock alerts.
- GitHub: GitHup Repository - Veliluxé Beauty

Bengkel Pro — Repair Shop Management System 2026
C#, .NET Framework, MySQL | Desktop application

- Developed a desktop application for automotive repair shops that centralizes spare-part stock, purchasing, service transactions, supplier and mechanic data, and business statistics reports.

Academic Hub — Student Attendance & Task Management (UI/UX) 2025
UI/UX Designer | Figma

- Designed a 10+ screen high-fidelity interactive prototype for a mobile app that unifies attendance, learning materials, assignment submission, and grade tracking.
- Created a design system covering typography, color tokens, and a component library.
- Link : Figma Interactive Prototype

Santan Ardafa — Branding, Packaging & Logo Design 2025
Designer | Adobe Photoshop, Adobe Illustrator

- Created the logo identity, packaging design, and an educational infographic for a packaged coconut milk product.

COMPETITIONS & HACKATHONS

KMIPN VIII 2026 Hackathon — Team Martabak Nyasar ke Mesir (SIVOKA) 2026
Team Leader | Proposal stage

- Led the team in proposing an AI skill-gap matching platform using TF-IDF and cosine similarity.

PLAY IT! 2026 — Politeknik Negeri Malang, Team Logic Leap (SirkularID) 2026
Team Member | Participant

CERTIFICATIONS & TRAINING

- HCIA-Cloud Computing V5.5 Course (Certificate of Completion) — Huawei ICT Academy, 2026
- HCIA-Cloud Service V3.5 Course (Certificate of Completion) — Huawei ICT Academy, 2026

ORGANIZATIONS & VOLUNTEER EXPERIENCE

Cooperation Division Member, PKTOS Campus Event — Politeknik Negeri Padang 2024
