PROFILE SUMMARY

Fifth-semester D3 Informatics Management student at Politeknik Negeri Padang seeking a web development / UI/UX internship. Hands-on experience in full-stack development (PHP, Laravel, MySQL, Flutter) and UI/UX design (Figma). Delivered a real-client inventory and cashier system, contributed to a multi-role admission platform for 15 vocational schools, and prepared four hackathon proposals, including AI-based solutions (RAG, TF-IDF), with team leadership experience.

EDUCATION

Politeknik Negeri Padang, Padang, West Sumatra 2024 – Present
Diploma III (D3) in Informatics Management, Semester 5 | Expected graduation: 2027
GPA: 3.52 / 4.00

TECHNICAL SKILLS

- **Programming Languages:** PHP, JavaScript, Dart, Java, C, C#, HTML, CSS
- **Frameworks & Libraries:** Laravel, Lumen, Bootstrap 5, Flutter, .NET Framework, Maps API
- **Web & Mobile Development:** Full-stack web development, mobile app development, REST API, MVC architecture
- **Database & System Design:** MySQL database design and management, system architecture
- **UI/UX & Graphic Design:** Wireframing, high-fidelity prototyping, design systems, branding, packaging and logo design
- **Project Management:** Team coordination, timeline and task planning, rapid prototyping
- **AI / Data (beginner):** TF-IDF and cosine similarity, RAG concepts (proposal-level), Chart.js data visualization
- **Tools:** Figma, Adobe XD, Adobe Photoshop, Adobe Illustrator, Canva, Visual Studio, Git, GitHub, Huawei Cloud
- **Soft Skills:** Team leadership and teamwork, client communication, attention to detail, creative thinking and visual communication, self-motivated

PROJECT EXPERIENCE

Inventory & Cashier Management System, Santan Ardafa (Real-Client PBL) 2025
System Architect, Front-End Developer, Database Designer & Brand Designer | PHP, MySQL, CSS, MVC, Adobe Photoshop, Adobe Illustrator

- Designed the system architecture, front-end interface, and MySQL schema end-to-end for a local grocery store in Padang, replacing its manual inventory and sales recording.
- Built modules for inventory and stock management, supplier management, POS cashier, operational costs, sales reports, and role-based access for owner and cashier.
- Translated the client's needs into working features through direct collaboration with the business.
- Created the logo identity, packaging design, and an educational infographic for the client's packaged coconut milk product.
- GitHub: GitHub Repository - Santan Ardafa

PPDB SMK Se-Kota Padang, Student Admission System (group project) 2025
Database Designer & Front-End Developer | PHP, MySQL, Bootstrap, MVC

- Contributed to a multi-role admission platform (Super Admin, School Admin, Student) for 15 vocational high schools in Padang, with 4 selection pathways and 763 applicants.
- Designed the complete MySQL schema for admission data across multiple schools.
- Built the front-end of the Student Transfer module with a responsive Bootstrap UI, enabling parents to submit and track transfer applications online.
- GitHub: GitHub Repository - PPDB SMK Padang

Veliluxé Beauty, Skincare Store Management System (course project) 2026
Laravel, MySQL, Bootstrap 5

- Built a store management web app with role-based access (Admin and Cashier) and full CRUD for categories, brands, products, customers, and orders, backed by a 7-table MySQL database.
- Implemented multi-item order transactions that automatically adjust stock, plus a dashboard with sales statistics and low-stock alerts.
- GitHub: GitHub Repository - Veliluxé Beauty

Academic Hub, Student Attendance & Task Management (UI/UX) 2025

UI/UX Designer | Figma

- Designed a 10+ screen high-fidelity interactive prototype for a mobile app that unifies attendance, learning materials, assignment submission, and grade tracking.
- Created a design system covering typography, color tokens, and a component library.
- Prototype: Figma Interactive Prototype

Bengkel Pro, Repair Shop Management System (desktop application) 2026

C#, .NET Framework, MySQL

- Developed a desktop application for automotive repair shops that centralizes spare-part stock, purchasing, service transactions, supplier and mechanic data, and business statistics reports.

COMPETITIONS & HACKATHONS (PROPOSAL STAGE)

PLAY IT! PLUS Hackathon Deeptech 2026, Team MediTrace Oct 2026

AI & Data Coordinator | Proposal submission

- Co-proposed MediTrace, a web-based AI assistant that helps primary-care doctors search patient history with source-cited answers (health track).
- Responsible for the Retrieval-Augmented Generation (RAG) module design, synthetic medical data preparation, and an answer-verification mechanism that refuses to guess when data is missing.
- Worked in a 6-person team with a lecturer mentor and an industry professional.

KMIPN VIII 2026 Hackathon, Team Martabak Nyasar ke Mesir (SIVOKA) 2026

Team Leader | Proposal stage

- Led the team in proposing an AI skill-gap matching platform using TF-IDF and cosine similarity.

PLAY IT! 2026, Politeknik Negeri Malang, Team Logic Leap (SirkularID) 2026

Team Member | Proposal stage

- Collaborated in a 3-person team to develop the proposal for SirkularID, a B2B circular resource exchange platform.

PENS Hackathon 2026 Oct 2026

Team Member | Proposal stage

- Collaborated with team members to develop the proposal for RippleCampus, a system that maps the impact of campus facility disruptions (affected classes, lecturers, students) and recommends rescheduling options.

CERTIFICATIONS & TRAINING

- HCIA-Cloud Computing V5.5 Course (Certificate of Completion), Huawei ICT Academy, 2026
- HCIA-Cloud Service V3.5 Course (Certificate of Completion), Huawei ICT Academy, 2026

ORGANIZATIONS & VOLUNTEER EXPERIENCE

Cooperation Division Member, PKTOS Campus Event, Politeknik Negeri Padang 2024

- Coordinated partnership and cooperation activities with external parties and worked with the event committee.

Media Creative Division (MEKRA), Duta Genre 2022

- Managed creative media content for youth awareness campaigns and designed visual communication materials.

Peer Counselor (Konseling Sebaya), PIK-R, Kelurahan Level 2022

- Provided peer support and facilitated discussions on reproductive health and youth issues.

ACHIEVEMENTS & AWARDS

- Duta Genre Favorit Putri (Favorite Female Ambassador), Padang Panjang, 2022
